The City of Dollard-des-Ormeaux celebrates the
25th edition of International Day

Dollard-des-Ormeaux, July 24, 2024 – The City of Dollard-des-Ormeaux is proud to announce the 25th edition of International Day, an event that unites our community through music, dance, cuisine and traditional attire.

Every year, we celebrate the cultural diversity that makes up our beautiful Dollard-des-Ormeaux community. **To mark the 25th anniversary of this special day, we are returning to the very place where the event was first held: Dollard-des-Ormeaux Park.** Join us on **August 25, from noon to 4 p.m.** for a grand celebration and discover many of the different cultures that make up our beautiful community.

For this special edition, we have added an activity zone featuring inflatable games, art activities, free play, mosaic creation, sports activities and a rally, in addition to our already familiar event activities like dance and music!

The event kicks off with live performances from China, Egypt, Greece, India, Israel, Italy, Jamaica, Lebanon, Nigeria, Pakistan, Philippines, Poland and Sri Lanka. **After the shows, participants will be able to enjoy free snacks, generously prepared and offered by volunteers from the different cultural associations.**

“International Day is one of our city's most precious events. It reminds us that our cultural diversity is a strength that enriches our community. By celebrating together, we build bridges between our different cultures and strengthen our commitment to living in harmony. I invite all Dollard-des-Ormeaux residents to come celebrate with us and discover the wonders of our varied cultural traditions.” - Alex Bottausci, Mayor of Dollard-des-Ormeaux.

Come share, discover and bond in a festive, convivial and community atmosphere!
