## The Revamped Civic Centre A modernized space to serve the community

**Dollard-des-Ormeaux, October 16th, 2024** — On October 15, 2024, the City of Dollard-des-Ormeaux proudly celebrated the official inauguration of its newly renovated Civic Centre, in the presence of the City Council and numerous representatives of local associations.

The Civic Centre, the heart of the community life of Dollard-des-Ormeaux, has always been a privileged place to meet, exchange and enjoy activities for residents of all ages. With modernized facilities and redesigned spaces, it now meets even better the daily needs of our community, offering a warm and versatile atmosphere.

**New amenities for all** The revitalization of the Centre includes new teleworking spaces, convivial relaxation areas, redesigned activity rooms and improved access for people with reduced mobility. Whether it's for sporting activities, cultural events, or simply getting together with neighbors, the centre is becoming a true hub where everyone can flourish.

“With these renovations, the vision was to create a welcoming and functional space, where every resident, whether they are here for an activity or not, can feel at home,” emphasized Mayor Bottausci. “The Civic Center embodies the spirit of Dollard-des-Ormeaux as an inclusive and dynamic city. We are delighted to invite you to come and discover or rediscover this reinvented space.”

On a daily basis, the Civic Centre plays an essential role in bringing residents together around sports, cultural and social activities. It symbolizes our city's cohesion and commitment to the well-being of all its citizens. With these renovations, the City of Dollard-des-Ormeaux wishes to ensure that the Civic Centre continues to play this central role in community life, offering modern and accessible infrastructures for current and future generations.
