

A new playful and inclusive world at Frontenac Park:

A new imaginative playground for children

Dollard-des-Ormeaux, September 10, 2025 — The City of Dollard-des-Ormeaux is pleased to inaugurate a **brand-new playground equipment at Frontenac Park**, designed for children aged 2 to 12. Inspired by nature and the jungle, this fun park invites young people to climb, slide, explore, and imagine unique adventures.

The central structure stimulates the creativity of younger children, while older children enjoy age-appropriate challenges that develop their agility and team spirit. A large rotating piece of equipment, which can accommodate more than ten children, encourages group play and social interaction.

“This unique playground is more than just a place to play,” said Mayor Alex Bottausci. “It reflects our commitment to providing children with a space where they can thrive, grow, and share joyful moments together.”

Located **in the heart of a family-friendly neighborhood**, the new playground at Frontenac Park is an added asset for families and reinforces the park's role as a place for community gathering and well-being.
